

mesm Tokyo, Autograph Collection

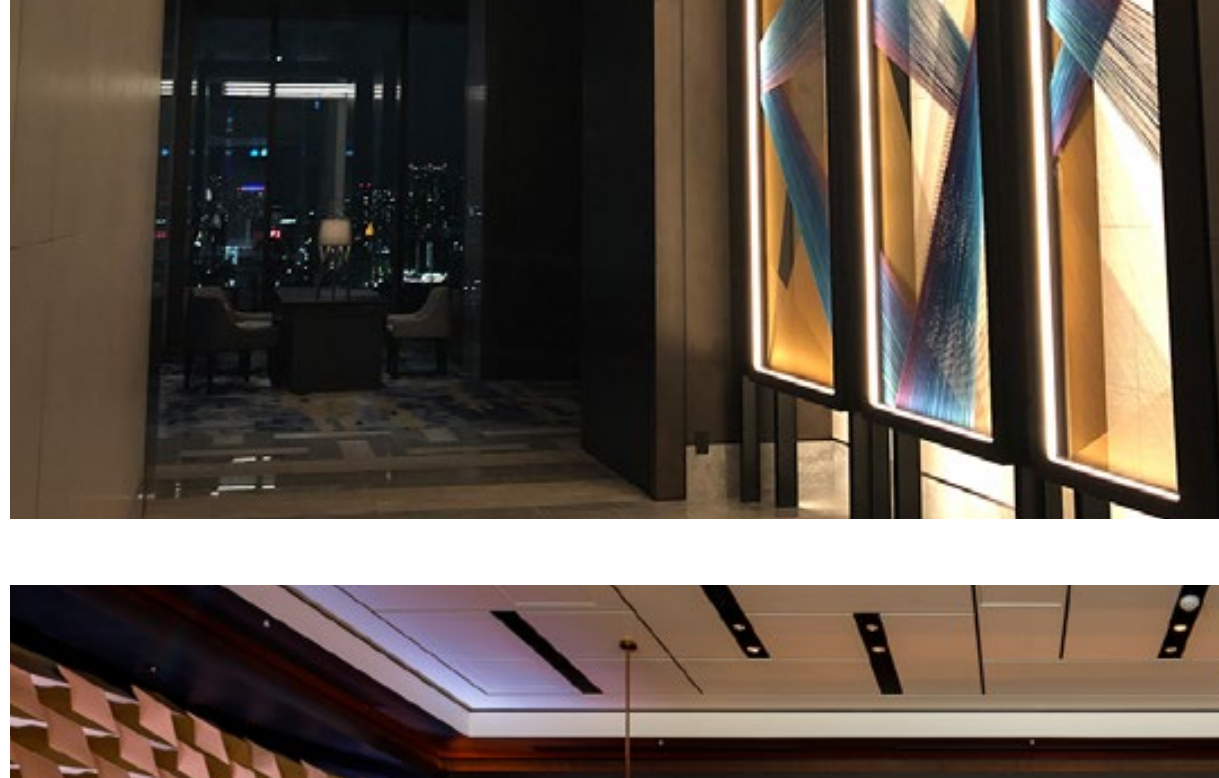

Open
April, 2020

Interior Designer
Wilson Associates

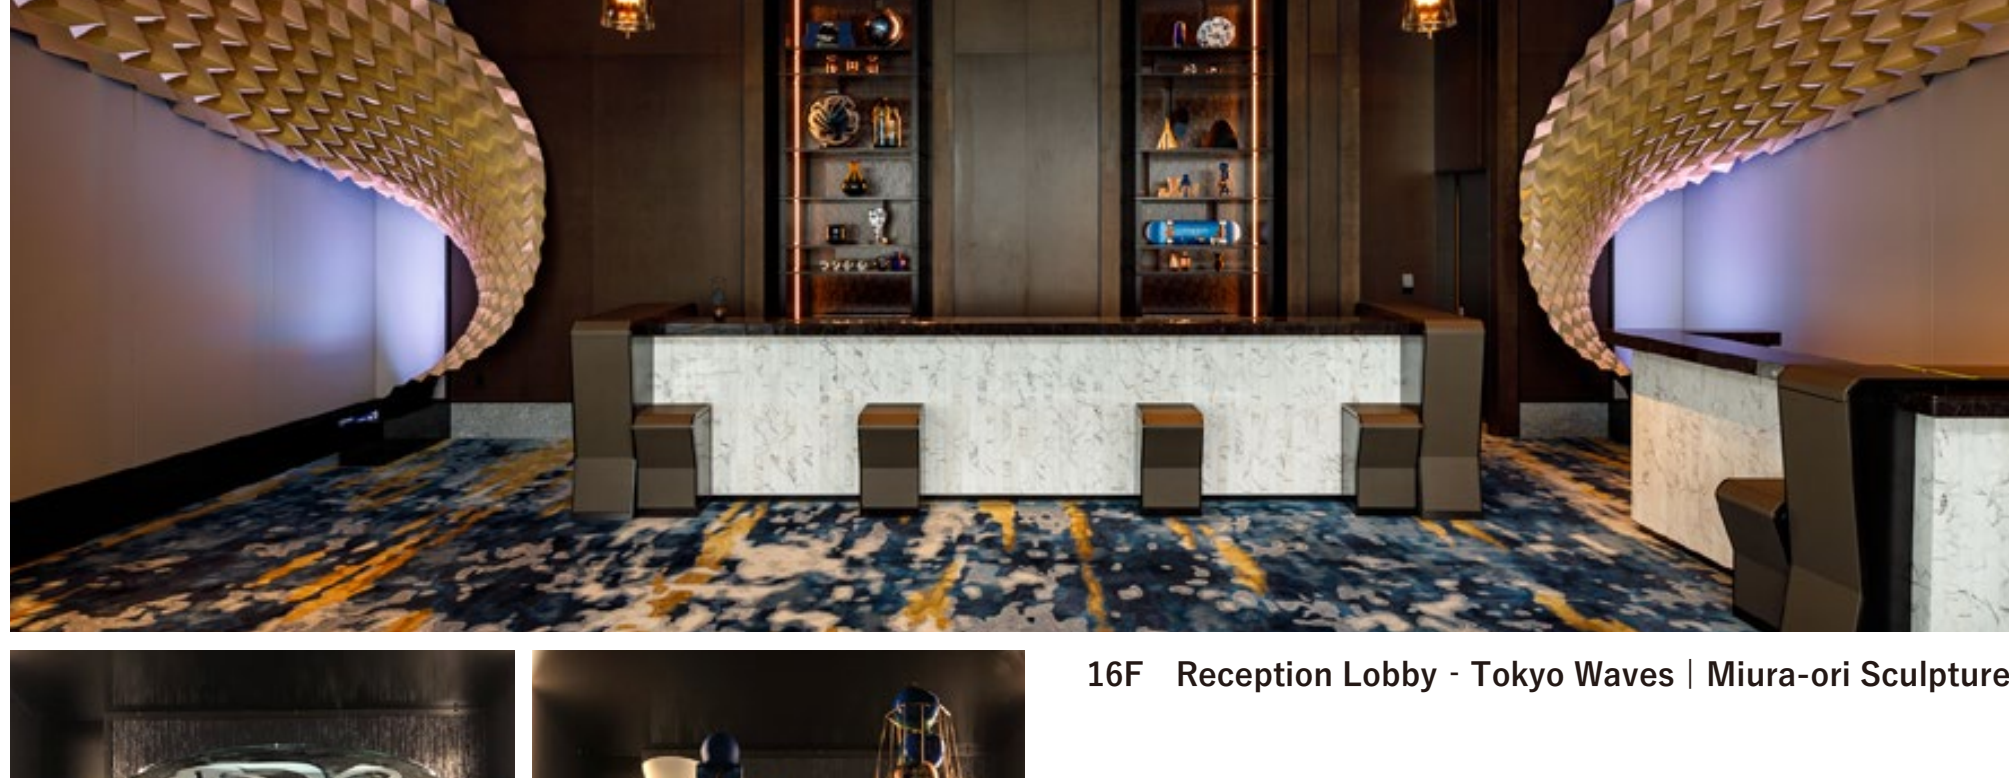

ICA completed art consulting and art installation for mesm Tokyo Autograph Collection, one of the most luxurious hotel brands of Marriott, located on the Takeshiba waterfront. The hotel brand offers a unique design direction which differs from place to place. Driven by the design theme of 'Tokyo waves', this project aims at representing the constantly evolving city of Tokyo and making guests experience the dynamism, the creativity, and the extravaganza of the city.
